Includes:

- **Up to 30 measurement sites for water and sediment depth**
- Typed reports with drawings and charts
- Oxygen and temperature profile
- Recommendations and estimates with or following on-site consultation

\$ _____

Total \$ _____

Notes: In order to get you an accurate proposal together for any excavation we require a lake study to be done before our construction team comes out for a free consultation. Please choose a study that would best suit your needs.

The Lake Studies Program will provide you with an invaluable source of information about your lake or pond. This information can also be used as a foundation to determine the best management plan or goal for your water body.

Payment terms: 50% due with contract; balance due _____ for Lake Studies Program. All other programs paid upon completion. Finance charges of 1.5% per month shall apply to all invoices past 30 days.

*If you have any questions regarding this proposal, please call me at (800) 689-5253.
We at AQUA DOC look forward to serving you!*

AQUA DOC is authorized to complete this contract as specified. This contract may be withdrawn by AQUA DOC if not accepted within 30 days. All projects shall be done with weather and temperature conditions permitting.

The above prices, specifications and conditions are satisfactory and are hereby accepted.
